Re: REALLY BUSY CWMA – Carryover Request

Dear Matt:

Our review of the 2005 Cost Share money allotment indicates a carry over of \$256 in our budget for the Really Busy Cooperative Weed Management Area. Due to difficulties with staff member availability and excessive vehicle breakdowns, we were unable to complete all projects outlined in the AOP as planned. We are requesting to carryover the \$256 to the 2006 application year. Thank you for considering our request. Please feel free to contact me if you have any questions.

Sincerely,

Joe Weeder  
Chairman, Really Busy Cooperative Weed Management Area

**\*\*NOTE:** *It is strongly recommended that the amount of money remaining to Carryover be kept to a minimum. Any funds that are requested to be carried over must be identical to the amount reported on the fiscal ledger and the next year's application request.*
